

## **Covid 19: November 2020 Lockdown.**

**Update: 4th November 2020**

On Saturday 31st October the Prime Minister announced that "Non-Essential Retail" must close, but 'Click & Collect' is permitted from Thursday 5th November 2020.

- Auction Houses were classed as "Non Essential Retail" during the Spring 2020 lockdown and as such Auction Houses were, and are once again, specifically listed and therefore required to be closed to the public.
- From Thursday 5th our auction rooms at Bath Road Business Centre will be **CLOSED** to the public and they are not permitted to enter our premises under any circumstance.
- Our auctions are **online only** with no public viewing or admittance.
- Mailboxes and Westbrook Packing are our nominated shipping companies who will be able to collect and ship purchases made at auction around the world. We are able to operate a socially distanced 'Click & Collect' operation to the public from our Car Park strictly by appointment only.
- The government confirmed that the Transport Sector remains operational as an 'Essential' service. Therefore our nominated haulier Hartleys Removals will be operating for any House Clearance & Shipping Services.
